

Sachin Nandwana- Director & Co-founder - BigHaat
<https://www.linkedin.com/in/sachin-nandwana-91134633/>

Mr. Sachin Nandwana is a distinguished graduate of RGPV (Rajiv Gandhi Proudyogiki Vishwavidyalaya) with over 22 years of extensive experience spanning both the private sector and Public Sector Undertakings (PSUs). With a background rooted in a farming community, he has a profound understanding of agricultural challenges and opportunities.

Mr. Nandwana has a deep exposure of over 11 years in the Agri Value Chain, where he has been instrumental in developing innovative solutions for farmers. Notably, he built India's first smart irrigation controller aimed at improving crop yield, showcasing his commitment to leveraging technology for agricultural advancement.

As the co-founder of BigHaat, Mr. Nandwana is at the forefront of transforming the agricultural space in India. He is dedicated to building the country's leading full-stack business model for farmers, ensuring they have direct access to high-quality agricultural inputs, farm-advisory services, along with market linkage to ensure end-to-end solutions for farming community. His visionary leadership, coupled with structured and targeted planning, is driving BigHaat towards its goal of revolutionizing the agricultural ecosystem, enhancing productivity, and boosting the profitability of farmers across the nation
